The fluvial department estimates that it will be two weeks before the Seine has returned to its normal state. Exciting rowboat pursuits after criminals on the outskirts of the city occurred Sunday night. In several instances the apaches were fired upon by their pursuers and three were shot dead. Two others were hanged from lampposts as examples of the fate in stere for those detected in acts of pillage and violence. The women of the French nobility are playing an important part in the work of rollef.

It is predicted that there will be a further fall of sixteen luches in the Seine by noon to-day. The Marne has dropped three feet from its crest at Chalifert. and the Seine has receded equally at Montercan. The Yonne remained stationary yesterday.

IMPROVEMENT IN ITALY.

Much Territory Flooded, However-Situation in Valley of Po.

Rome, Ech, 1 .- Although the weather conditions have improved throughout Italy, reports are still being received of the flooding of much territory.

The river Pe threatens to overflow its banks, while at some points landslides have occurred.

Dispatches from Perugia say that the river Tiber continues to rise and is now three fest above the trighest level of the

inch of the chief or-gars of the body is a link in the Chain of Life. A chain is no stronger than its weakest link, the body no stronger than its

weakest organ. If there is weakness of stomuch, liver or lungs, there is a weak link in the chain of life which may snap at any time. Often this so-called "weakness" is caused by lack of nutrition, the result of weakness or disease of the stomach and other organs of digestion and nutrition. Diseases and weaknesses of the stomach and its allied organs are cured by the use of Dr. Pierce's Golden Medical Discovery. When the weak or diseased stomach is cured, diseased of other organs which seem remote from the stomach but which have their critic in a diseased condition of the toronto. have their origin in a diseased condition of the atomach and other organs of digestion and nutrition, are cured also.

The strong man has a strong stomach. Take the above recommended "Discovery" and you may have a strong stomach and a strong body.

GIVEN AWAY .- Dr. Pierce's Common Sense Medical Advisor, new revised Edition, is sent free on receipt of stamps to pay expense of mailing sets. Send 21 one-tent stamps for the book in paper covers, or 31 stamps for the cloth-bound volume. Address Dr. R. V. Pierce, Buffalo, N. Y.
